DRAFT MEMORANDUM FOR: Mr. William J. Trueheart  
Colonel Hamilton H. Howze  
Captain John M. Ocker, USN  
Lieut. Colonel J. C. Marchant

SUBJECT: Briefing of Service Attaches by CIA  
Cancellation of IOP 1

1. Due to changes in internal organization, the purpose to be served by a separate briefing of newly appointed Service Attaches by the Central Intelligence Agency, is no longer valid. Recent consultation with representatives of the Department of State reveals that the briefing of outgoing personnel assigned to duty in the Foreign Service, as currently practiced by that Department, satisfies both the separate requirements and the coordinating interest of this Agency.
2. The briefing of Service Attaches by the Central Intelligence Agency will be discontinued, and IOP 1 is accordingly cancelled.

WILLIAM H. JACKSON  
Deputy Director of  
Central Intelligence
